## About Esperanza Universal

Esperanza Universal is the Co-Creator and CEO of the S.O.U.L. Institute, Inc., in San Diego, CA, where she teaches people how to transform their lives with a Simple and Powerful System, based on Spiritual Laws. Esperanza started the S.O.U.L. Institute after a profound Spiritual experience while litigating a case in court. She then acquired a burning desire to share Sacred Law and Sacred Truths with the world.

Through the S.O.U.L. Institute, or “Systems of Universal Law” Institute, Esperanza has spent 20 years showing people, from all walks of life and from around the world, how to create the life they truly desire, rather than the one they are unconsciously choosing. Esperanza know that this can be done without drama, pain, blame or guilt, and she has developed a Simple and Liberating System to make this knowledge available to everyone.

Before becoming an attorney, Esperanza was a psychotherapist, a probation officer, an Equal Employment Opportunity Officer, and worked in the Juvenile Justice System. She was active in civic activities and community politics. Esperanza’s interest was to become the first Hispanic Congresswoman.

As an attorney, Esperanza was a fiery advocate for her clients, and was known as a “Tiger” in the courtroom. Esperanza’s clients were always perfectly prepared for their cases, and often “won” the lawsuits. Esperanza began to see that she was teaching people how to fight. Even if they won their case, it was at a very high price for their life and happiness.

Esperanza the founded the S.O.U.L. Institute Inc., where she teaches people how to remove obstacles from their life, and how to create the life they truly desire.
